writing philosophy a student s guide to reading and writing philosophy essays second edition is a concise self guided manual that covers how to read philosophy and the basics of argumentative essay writing it encourages students to master fundamental skills quickly with minimal instructor input and provides step by step instructions for each phase of the writing process from formulating a thesis to creating an outline to writing a final draft supplementing this tutorial approach with model essays outlines introductions and conclusions writing philosophy is just 5 when packaged with any oxford university press philosophy text contact your oxford representative for details and package isbns

star map a journey of faith doubt and meaning is a touching and deeply personal philosophical memoir about a young man s wrestling match with fanatical faith and his frantic search for truth and meaning against the backdrop of pressing social issues of the 1960s such as the vietnam war and the civil rights movement lewis vaughn s journey transforms him from a young christian fundamentalist to a disillusioned agnostic to an atheist seeker of meaning in a godless world a single horrifying moment begins the breakdown of his faith and the following examination of his faith s tenets eventually erodes it completely but the struggle to survive the ravages of doubt is only half the tale after the collapse of his religious beliefs and the sense of purpose it imparted he feverishly sets out to discover whether there could be any meaning in life at all without religion along the way he stumbles on the strongest empirical argument against the reliability of faith as a source of knowledge and sees that life does indeed have meaning without religion in the end he never regains the faith he lost but finds something better

the moral philosopher and novelist iris murdoch said that philosophy is both the guide and mirror of the age in this wide ranging book mark hopwood explores the significance of murdoch s philosophy in the present day paying particular attention to her account of the role of metaphor and imagery in moral reasoning hopwood argues that one of the main reasons murdoch s work has often been neglected by mainstream moral philosophers is that she offered a radically different conception of what it means to do moral philosophy rather than seeking to establish a single systematic moral framework in the manner of utilitarian or kantian theories she argued that moral philosophers ought to be concerned with describing the varied range of moral concepts that we actually use in everyday life and elaborating new concepts and modes of understanding to meet our most pressing social needs examining the role of vision imagination love goodness and transcendence in murdoch s work the moral philosophy of iris murdoch presents a compelling and original argument that she is one of the major moral philosophers of the twentieth century
